Bulletin

Syble will be doing the bulletin for the month of **April**. Please contact her with any information you would like to have in it. Please also remember to update the prayer list, we always love to see those on the praise list, answered prayer and God in our lives.

Secret of Forgiveness

You will never forgive anyone more than God has already forgiven you. Is it still hard to consider the thought of forgiving the one who hurt you? If so, go one more time to the room. Watch Jesus as he goes from disciple to disciple. Can you see him? Can you hear the water splash? Can you hear him shuffle on the floor to the next person? Keep that image.

John 13:12 says, "When he had finished washing their feet. . ." Please note; Jesus finished washing their feet. That means he left no one out. Why is that important? Because that means he washed the feet of Judas. Jesus washed the feet of his betrayer. That's not to say it was easy for Jesus. That's not to say it's easy for you. But that is to say, God will never call you to do what he hasn't already done!

John 14:1

Do not let your hearts be troubled.
